# KENWICK PARK

## Planning your big day

Planning your wedding day could not be easier at Best Western Kenwick Park Hotel. Our experienced staff are on hand to guide you through every step of the way. We understand that planning a wedding is the most exciting but most daunting time in a couples life and we will be there to help from the initial enquiry right through to the big day.

Our wedding planner has over 18 years experience in organising weddings at Best Western Kenwick Park Hotel. Her expert advice, guidance and attention to detail ensures that your big day is one to remember. In addition to this many of the hotel's long serving team members have also had their wedding celebrations here and will be happy to offer their memories!

### NEXT STEP

The wedding brochure is a useful guide to what the venue has on offer and the range of packages that are available but this doesn't tell the whole picture and the team would be delighted to take the opportunity of showing you and your family around the venue's facilities and to discuss your perfect day.

Over the years we have organised intimate wedding dinners for 20 guests to Big family celebrations of 200 people in our Meridan Suite.

We also can cater for larger numbers of 200-450 people in a lavish Marque, using locally sourced suppliers.

### WEDDING PACKAGES

We have thoughtfully put together a selection of packages to suit a variety of requirements and budgets, but do appreciate that one size does not fit all and these should be treated as a helpful guide to your initial planning and not set in stone.
