KENWICK PARK ESTATE

Welcome to Landal Kenwick Woods

Unforgettable holidays are in our nature

Please note that check-in is from **4pm** due to recent changes regarding **COVID-19**

Dear Guest,

Welcome to Landal Kenwick Woods, a fabulous addition to our portfolio of parks, including Landal Piperdam, Landal Woodland Lakes and Clumber Park Lodges.

This welcome folder contains important and useful information that will help you get the most out of your time with us and to have an enjoyable holiday.

Kenwick Woods is nestled within the peaceful Lincolnshire countryside and is a perfect base from which to explore all the local area has to offer.

We wish you a wonderful stay and welcome your feedback on any improvements you feel we can make. We are here to assist you and help you have a great holiday, so please ask a member of staff for any help you may require.

Friendly Notice: We are continuing to be a cashless business and will only accept debit or credit cards for any onsite purchases. This applies to all of Kenwick Park and Kenwick Woods. Cash will not be accepted.

If you have enjoyed your stay so much that you would like to return or try one of our other holiday parks, you will receive a 5% loyalty discount by booking directly with us on **0114 283 6620**.

Best Wishes

Landal Kenwick Woods

Family-Friendly Go Active Programme

Exciting activities for both children and adults

With a whole host of activities available at Kenwick Park, you are never short of choice. Whether it's attending our "Go Active" sessions on site, or visiting our friends at "Back to Bear" next door, you can book all activities via our Lodge Reception and experience the best our professional instructors can provide!

Our GO ACTIVE sessions take place on-site giving you a whole host of options ranging from zorbing, biking or tennis, whilst our swimming pool houses fantastic activities such as mini-jets, sea scooters and water walkerz. Our professionally trained activity leaders have a wealth of experience, and are on-hand to guide and assist you, whether you're a budding beginner or a keen amateur.

Luxury Swimming

Experience our state-of-the-art ClubSpa

The pool building has a stunning timber ceiling and provides a haven where you can escape completely. The 20-metre x 8.5 metre deck level swimming pool has been designed for both exercise and relaxation. Children can gain confidence in the splash pool and shallower area, before progressing to the main pool which is a comfortable 1.2 metre depth throughout.

Enjoy the warmth and bubbles of the larger 3 metre spa (Jacuzzi style) pool situated near large windows overlooking the grounds, you can sit back and watch the wild rabbits hop past. Just a step outside the pool hall is the 5-metre x 3 metre Hydrotherapy Pool. The outdoor Hydrotherapy Pool with jets, massage cannons and loungers can be enjoyed all year round.

Please note that towels are not provided complimentary in the leisure club. Instead, they can be hired for £1.

Pool Access

Pool access is available on an hourly booking system at this time.

Open times are as follows:

11am – 7pm (Monday to Friday)

Golfing at Kenwick

Eat. Sleep. Play golf

Kenwick Park Estate have worked closely with the Kenwick Golf Club, which sits adjacent to our Estate, in order to bring you some fabulous golf packages. The championship standard, 18-hole, par 72, 6782-yard course, is truly spectacular.

Impeccable tees and greens are matched with fairways carved through mature woodland. 9 lakes and a Grade II listed clubhouse enhance the traditional feel, with quality facilities that include a practice area and professional tuition.

Golf rates and bookings

All golf bookings are arranged by the golf club themselves.

Our Cleaning Measures

During COVID-19

We understand that we are still living in very strange times and that you may have questions regarding what we are doing at Kenwick to ensure safer stays for all our guests, so please find below additional information to alleviate any concerns.

Q: How do I know that my lodge holiday will be safe and clean?

A: We will be providing our Hygiene Safe Assurance (see details below) prior to access been given to your accommodation.

Q: What is your Hygiene Safe Assurance (HSA)?

A: Our teams have now been trained in an extended cleaning regime for all accommodation, which is carried out prior to each guest's arrival.

A 3-stage process has now been adopted:

1. Sanitise the whole lodge and hot tub (where applicable)
2. Anti-bacterial clean of the key touch points such as kitchen appliances, surfaces, door handles, light switches and TV remotes.
3. Steam clean on key surfaces, touch points and bathroom surfaces.

It is only after all three stages have been completed and checked, will the lodge be given our HSA.

Q: What will I need to bring with me?

A: Our Parks are self-catering with towels and bed linen provided. We do provide a Welcome Pack, subject to availability, with some basic provisions but you are encouraged to bring your own food and supplies as you require.

Q: What is the check in procedure?

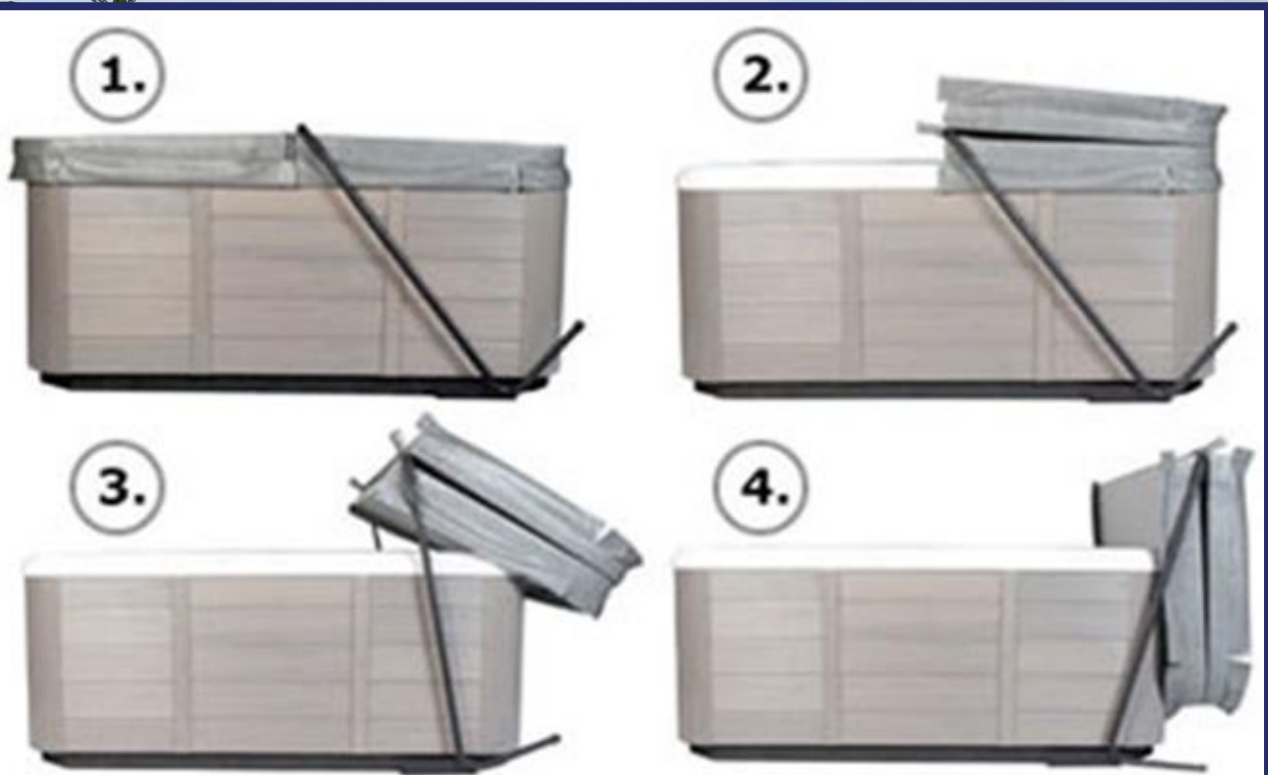

A: Your check in time will be **4pm** – this later check in time is to ensure our HSA has been completed. The check in will take place in our reception where we have social distancing markers laid out. We ask that only one person from your party (this must be the lead name on the booking) comes into reception for the check in, so that we can keep numbers to a minimum.

Q: What is the check-out procedure?

A: Your check out time is no later than **9:30am**.

How to Lift the Hot Tub Cover

Please follow these instructions carefully

Step 1

Lift one side of the cover

Step 2

Fold cover over the bar

Step 3

Pull the cover and lift off the hot tub as per the image above

Step 4

The cover is then supported by the metal bar at the side of the hot tub

All guests have complimentary use of the hot tub when you book a Spa Lodge.

Hot Tub Use

Important – Please read carefully

You have complimentary use of the hot tub when you book a Spa Lodge.

Your health and safety are of paramount importance to us, and for this reason, a member of our hot tub maintenance team will visit your lodge daily between the hours of 08.00 and 16:00 to test and adjust your hot tub as required. You are not required to be available as access to the hot tub will be gained externally. Should you have any concerns about the water quality in your hot tub, please contact reception on 01507 608806. We will endeavour to have your hot tub at the optimum temperature when you arrive. At times this may not be possible due to maintenance of the hot tubs before you arrive.

Each morning your hot tub will be checked and tested; however, it will not be re-filled if there has been evidence of excessive misuse. The water levels will diminish if too many people use the hot tub at any one time. Remember, please use the hot tub responsibly and always put the lid back on after you have finished using it.

Please note the hot tubs are only adequate for 2-6 people at any one time.

Please note that hot tub use is NOT permitted after **11.00pm**.

Prevent Drowning

The heat will speed up the effects of alcohol, drugs or medicine and can cause unconsciousness. Immediately leave the hot tub if you feel uncomfortable or sleepy.

- Guests are asked to shower before entering the hot tub
- Excellent hot tub hygiene is essential for the health and comfort of all users, hence;
- It is recommended guests remove jewellery, lotions and fake tan before entering the tub.
- Children under 4 years of age are not permitted to use the hot tub. Children between the ages of 4 and 16 must be supervised by an adult at all times.
- Bathers should be discouraged from swallowing the hot tub water.
- It is recommended that bathers do not exceed 15 minutes immersion at a time.
- It is recommended that you do not use the hot tub after a heavy meal or while under the influence of alcohol or sedatives.
- If 'intended users' are suffering from diseases of the heart and circulation, skin conditions, suppressed immune symptoms or are subject to fits, take drugs or medication that affects the cardiovascular or nervous system, they should seek medical advice before bathing in a hot tub.
- Pregnant women are advised to consult with their doctor before using the hot tub.
- No glass or sharp objects are allowed in the hot tub or surrounding area.
- Please use the plastic cups provided in your lodge.
- Your hot tub temperature is set at approximately 38°C. Please feel free to use the light and jet keys on the control pad.
- Use the steps provided to enter and exit the hot tub.
- Please ensure that at all times, you wear adequate footwear before entering and exiting the hot tub area.
- Guests are advised to towel dry before entering the lodge to avoid slipping.
- If you were to become ill after using the hot tub, please contact us immediately, whether still resident with us or in the following two weeks from checking out.

General Information & Guidelines

Important – Please read carefully

Dogs are welcome in our pet-friendly lodges

- Dogs must be kept on a lead and under control at all times during your stay.
- You are expected to clean up after your dog.
- Dogs should not be left unattended in lodges; even the quietest dog may bark when left unattended in a strange place, also park staff may need to enter your lodge to carry out routine maintenance.
- Pets are not permitted in the bedrooms or on the furniture.

Waste disposal

- We request that all rubbish is removed from your lodge on the day of departure.
- To preserve the environment, please do not leave bags of rubbish outside your lodge or near the bins as the wildlife will open them.
- We offer separate recycling facilities for general waste and dry mixed recycling (cartons, plastics, tins, paper & card board) and glass located at various points across the park, please see the park map for details.

Smoking

- Smoking is not permitted in any of the lodges, and any guest found smoking in the lodge or littering the park with cigarette ends will forfeit their deposit.
- You are asked to dispose of cigarette ends responsibly; ash trays are provided outside your lodge to help maintain the park surroundings and prevent both a major fire hazard and risk to wildlife.

Heating & Hot Water

- Please note that the heaters can become very hot, therefore please try to avoid touching them when the heating is on.
- The hot water tanks in the lodges are smaller than those of a regular household and after 1 or 2 bath/showers they will need time to heat back up again.

Cleaning

- As you are here to relax and enjoy your holiday, we do not routinely supply our lodges with vacuum cleaners or other cleaning equipment. However, if you feel you can't resist the urge, speak to a member of staff who will be happy to supply any cleaning equipment you may require.

Golf Course / Lincolnshire Rural Activities Centre

- Can we politely remind guests that even though the golf club and LRAC are adjacent to our resort they are independently owned and as such we request that you do not take leisurely strolls across the golf courses and horse courtyards as these have social distancing measures in place to protect vulnerable people that often use the services there.

General Information & Guidelines

Important – Please read carefully

Our aim is for everyone to have a safe, relaxing and peaceful stay. To ensure that everyone has the same experience we ask you to familiarise yourself with the following:

Fire Safety

- A fire extinguisher and fire blanket is stored in the kitchen area of each
- lodge. There are also fire extinguishers located around the holiday park, see the map for details. Please only use these when required if you feel confident to do so.
- Smoke/Carbon Monoxide alarms are fitted for your safety and should not be disabled or covered.
- In the event of a fire, ensure everyone has evacuated the lodge, ring 999 then contact reception on 01507 608806.
- The assembly point is in the car park; see the site map for details.
- Please familiarise yourself with the exit from your lodge.

Occupancy

- Exceeding the maximum occupancy of your lodge is a severe breach of your terms and conditions. Anyone found to have breached this condition will be asked to leave the park
- immediately and will forfeit their deposit.

Please note: all children, infants and babies have been included in your total occupancy.

Please make staff aware if the occupancy should change in your lodge.

Visitors

- You are welcome to have visitors during your stay.
- We ask that visitors do not arrive at the holiday park before 10am and should leave by 9pm the latest.
- It is your responsibility to ensure that any visitors observe our guidelines and terms and conditions.

Minimum Noise Policy

- For the enjoyment of all guests, we operate a minimum noise policy (we do not permit excess noise after 10pm) or anti-social behaviour and ask that you respect your neighbours and keep noise to an acceptable level. Please respect other guests, we reserve the right to ask you leave the site should this not be adhered to.
- In the interest of safety please keep children away from the golf course.

Decking

- Please take care; decking may become slippery when wet and icy in cold conditions.

General Information & Guidelines

Important – Please read carefully

Open Areas of Water

- Please be aware of open areas of water on site and do not let children wander the site alone.

Driving

- Take extra care when driving around the site, please be aware of posts and tree branches. We cannot be held responsible for damage to vehicles while on Kenwick Woods Estate.
- Trailers are not permitted on site.

Parking

- Please do not park on the grass outside your lodge. It is easy for vehicles to get stuck and we do not have the equipment to pull cars out of the mud. If this happens, you will need to arrange your own vehicle recovery. Please use the gravel space provided to park and if you have extra cars, please use the overflow car parks

Sundry items

- Your lodge has been supplied with the basics to get you started. Toilet roll and a starter pack containing washing up liquid, a sponge, a cloth, bin liners and two dishwasher tablets (where applicable) are available in your lodge.
- Also provided are oven gloves and tea towels for use during your stay. These will be adequate for most short stays, but as this is a self-catering site, you are advised to obtain your own supplies should you need more.

Towels

- Towels are provided for your convenience; however, these will not be replaced during your stay. Please leave them in the bathroom on departure.

BBQs

- BBQs are not permitted on site under any circumstances.

Terms and Conditions

- Anyone found not abiding by our terms and conditions will forfeit their £50.00 deposit for small lodges and £50.00 per person deposit for the larger lodges.

Departure

- Sadly, all good things must come to an end, and all lodges must be vacated promptly by 9.30am on your day of departure.
