

A young couple is walking through a grassy field towards a wooden lodge in a wooded area. The woman has long red hair and is wearing a brown jacket and blue jeans. The man has curly brown hair and is wearing a light blue denim jacket over a dark t-shirt and dark jeans, with a backpack. The lodge is made of wood and has a balcony. The background is filled with green trees.

Doggy do's & don'ts

Our doggies are part of the family at Away Resorts, so a holiday without them just wouldn't be the same!

When bringing your pooch, we have **three golden rules**:

1

Keep your dog(s) on a lead at all times

We know it's hard to believe, but not everybody likes dogs so we must respect that.

2

If your dog poops, then pick it up

Poop bags are available from Guest Services so no need to worry if you run out.

3

Do not leave your dog unattended

Even the quietest dog may bark when left alone in a strange place!

Keeping safe.

Keep to the speed limit

The maximum speed limit around the park is 10 mph although we advise you go slower than this. Remember excited children don't always pay attention so please drive slowly.

Park roads are public roads

All roads on the park are subject to the Road Traffic Act. Don't fall into the trap of thinking they are private as they are not. All rules that apply on normal roads apply on our roads, including drink driving and seat belts.

Car parking

Take care when parking, do not block any access routes that may be used by emergency vehicles. Never use vacant holiday home pitches for parking as this can be dangerous. All vehicles are parked at the owners' risk.

Decking

Take care on the decking, it may become slippery when wet and in icy and cold conditions.

Golf course

We remind guests that even though the golf club is adjacent to our resort, it is independently owned and as such we request that you do not walk across the golf courses.

No smoking

Smoking and vaping are prohibited in all accommodation and public areas.

Fire action

When you arrive at your accommodation, note the nearest Fire Point. In the event of a fire...

- Evacuate your accommodation and alert neighbours
- If possible, turn off gas and electric supplies
- Raise alarm by contacting Guest Services or call 999
- Do not re-enter accommodation to retrieve belongings
- Tackle a small fire with extinguishers or hoses, if safe.

Gas leak

Report any gas leak. Don't hope others will.

- Do not smoke or use a naked flame
- Do not operate electric switches or use mobiles
- Turn off the gas supply and open doors and windows to disperse the gas as you leave
- Contact Guest Services or Park Security immediately.

First aid

Should you require first aid please contact a member of staff. First Aiders are located in each department.

Play safely

Always ensure your children know how to get back to your accommodation. Be sure to know exactly where they are and tell them where you will be. If you have lost your children, please go to Guest Services or contact a member of the security team.

Minimum noise policy

For the enjoyment of all guests, we operate a minimum noise policy. We do not permit excess noise after 10pm or anti-social behaviour and ask that you respect your neighbours and keep noise to an acceptable level.

Please note

Outdoor activities are weather dependent. Unfortunately, we are unable to provide childcare facilities and children remain the responsibility of their parents or guardian at all times. Activities and times may be subject to change without prior notice. All information printed in this booklet is as up to date as we can make it at time of going to print, however is subject to change from time to time. We apologise in advance for any problems this could cause.
