Conferences and events at Kenwick.

Most hotels and venues offer rooms for hire for events and meetings. Few have the facilities to co-ordinate events.

At Kenwick Park Hotel our conference and events service is designed to give you flexibility, quality facilities and high levels of personal attention.

All the key ingredients for a successful event.

More than just a room hire.

Because our conference facilities are part of the Kenwick Park Estate and attached to the hotel, we can offer far more than just the room hire. If you need accommodation we have 51 hotel rooms plus our delightful woodland lodges. Our chef can create wonderful food, from sit down banqueting to buffets and canapés.

You can also combine your event with the use of our ClubSpa facilities, Evergreen Spa and not forgetting the Kenwick Park 18 hole golf course, ideal for staff activity days or corporate hospitality events.
